Maths

This week the children have been learning to order items by height and then measure them using cubes.

Practice at home by finding items in the home and use various things to measure them such as buttons, hands or pencils.

Key vocabulary

Shortest, tallest, order, measure.

How long is...? How short is.....?

English

This week the children have been looking at rhyming words and crating rhyming strings such as cat, bat, sat, mat, rat.

Continue this at home by saying a word and asking your child to say words that rhyme.

Can you find books that have rhyming words in them?

We have been also been singing songs that have rhyming words in them.

Other News

In phonics this week the children have learnt the sounds /e/ and /u/

Ask your child to identify these in their reading books. Play eye spay with items starting with these sounds.

We learnt about Remembrance Sunday and why we wear poppies.

Hedgehog have their sharing assembly for the parents on Monday 14th in the afternoon.

We have started to practice our Christmas play. Some children will have speaking parts and they will be in their book bags. Please practice these at home.

As the weather is getting colder the children must have a coat in school. Please ensure they can do this up by themselves.
