

**Sports Premium Funding September 2015- July 2016**

Sports Premium Grant 2015 -2016		
Pupils on roll 160		
Total amount of sports grant received £8565		
Support	Objectives	Impact
CPD- dance coaching for staff	To promote confidence and CPD for staff in dance.	Dance provision will be of higher quality
Skipping workshop and purchase of resources for all reception children	To provide specific instruction and reinforcement of skipping as a form of exercise.	All children learning to skip and then have the resources to be more active during breaks.
Additional resources for EYFS gross motor control	Staff to work with specific children to improve their gross motor skills	Improved physical development across the EYFS
Funded places at after school clubs for all year 2 children	To increase capacity for extra-curricular activities.	Children given the opportunity to participate in additional physical activities after school.
Measuring the impact of SPG spending 2014-2015		
<p>72% of Year 2 children were involved in a physical after school activity.            Staff confidence in teaching dance has increased.            All children from Reception to Year 2 obtain or consolidate skipping skills and have the equipment to develop skills during the break times.</p>
