

Sports Premium Funding September 2016- July 2017

Sports Premium Grant 2016 -2017			
Pupils on roll 198			
Total amount of sports grant received £8830			
Support	Objectives	Impact	Cost
dance coaching for children and CPD for staff	To promote confidence and CPD for all new staff in dance.	Dance provision will be of higher quality – children will be confident in this aspect of PE.	£6050 (6 classes over 12 week term x 3 terms)
Storage for additional lunchtime resources	To encourage children to participate in a wide range of physical activities and provide secure and accessible storage.	More children are involved with structured physical activities at lunchtimes. Equipment is accessible and safely stored.	£200-storage £300 playground equipment.
Skipping workshop and purchase of resources for all reception children	To provide specific instruction and reinforcement of skipping as a form of exercise.	All children learning to skip and then have the resources to be more active during breaks.	£300 workshop £100 skipping ropes
Funded places at after school clubs for all year 2 children- Dodge ball or athletics	To increase capacity for extracurricular activities.	Children given the opportunity to participate in additional physical activities after school.	£450 per 8 weeks x 2 coaches spring and summer term £900 x 2 =1800
Measuring the impact of SPG spending 2015-2016			
<p>59% of Year 2 children were involved in a physical after school activity. Staff confidence in teaching dance has increased and children's confidence has increased. All children from Reception to Year 2 obtained or consolidated skipping skills and have the equipment to develop these skills during the break times.</p>
