

Family Learning: Spring First Half Year 2

Choose a family learning activity each week. You can choose which one to do and in which order you do them. For when you have a busy weekend we have included a Family week. These are suggestions of things which you might do and there is no need to record anything in your homework book for the family week, unless you wish to. Homework books must be in school on Wednesday. **Please could you use only 1 page per week, look after your book and always do your best.**
