

## PARKGATE INFANTS & NURSERY SCHOOL

### Why choose Parkgate Infants and Nursery School?

- Anything is Possible– We want your children to leave our school believing they can achieve anything!
- As an Infants School, which means that we really focus on how young children learn and develop.
- We focus on the whole child– it is important to us that the whole child is supported. It is only when children are happy and feel safe are they ready to make academic progress.
- Our Year 2 SATs results and phonics screening check have been steadily improving over the last three years and are above the national average.
- We encourage parents to get involved in the life of the school.
- We offer a range of 'additions' to our curriculum including a band, a book club, a gardening club and even violin lessons.
- We hold a range of different awards including the Herts quality standard for the EYFS, the Music Mark and we are currently looking to achieve our Herts for Learning Wellbeing Award.

"I would 100% recommend the school to another family and have done so. This year has been amazing with parents being able to play more of an active part in the life of the school." Year 1 parent.

To arrange a visit telephone the school visit and arrange to attend a socially distanced tour.

I am sure that you will understand the need for these to take place outside school hours.

Please only 1 parent will be able to attend and you will be asked to wear a face mask.
