

Dear Hedgehog class,

I hope that you are all enjoying yourselves in your class or at home. I know that you have worked so hard with Mrs Siebu this year in Hedgehog class and you are now almost ready to move into Rabbit class.

I am so excited to become one of your new teachers. We are going to have so much fun and learn so much together. I know that Mrs Jones and I can't wait to find out all about you, what you like doing, who your friends are, what you like to play. There is so much for us to find out! I am really looking forward to teaching you.

I think Year 1 will be full of adventures!

From

Mrs Letchford
