

Family Learning - Reception Autumn 2

Each week choose a learning activity to complete, it doesn't matter which order you complete the activities.

When you have a busy weekend there is a Family week, this has ideas to do but there is no need to record anything in your homework book.

Please make sure your homework book is in school every Wednesday.

Everyday Learning

Please practise reading your reading books, library book or any book. This is recorded in the yellow reading record book.

Please practise your child's word lists, kept in the back of the yellow reading record book.

<p><u>Topic</u></p> <p>On a sunny day go outside. Can you find your shadow? Move your body to make different shapes. Record the shapes you made in your book.</p> <p>Challenge: Talk about or find out how a shadow is made.</p> <p>Signature of teacher:</p>	<p><u>Literacy</u></p> <p>Look out of a window. Draw and write about what you see.</p> <p>Challenge: Think about the things you saw. Make up a story with those things in.</p> <p>Signature of teacher:</p>	<p><u>Maths</u></p> <p>With a grown-up - cook something together. Talk about how heavy, light, more and less the ingredients are. Take a picture to share with your class.</p> <p>Challenge: Talk about the weights of the different ingredients in Kg, g</p> <p>Signature of teacher:</p>
<p><u>PSED</u></p> <p>Play a turn taking game with a friend or members of your family. Remember the game so you can tell your friends how to play it at school.</p> <p>Challenge: Keep a record of the score so you know who the winner is!</p> <p>Signature of teacher:</p>	<p><u>EAD</u></p> <p>Collect some leaves and other natural objects. Make a pattern with them. Take a picture for your book or draw the pattern you make.</p> <p>Challenge: Can you make a picture using the objects?</p> <p>Signature of teacher:</p>	<p><u>Family week</u></p> <p>Help tidy your bedroom.</p> <p>Challenge: Sort your toys - how will you sort them? By colour? Size? Type?</p> <p>Signature of teacher:</p>
