

Next week...
Lunch is week 3

1 October 2021

Harvest

This week the whole school has been learning about bees and the amazing job they do to pollinate plants.

This year we are focusing on learning about our impact on the environment. Children have been learning about what a world without bees would look like.

In Fox Class

We were learning about bees and how important they are for helping our crops to grow. We then tasted some of the fruits and vegetables that grow from the crops that bees help to pollinate. We really enjoyed this activity!

Flu vaccine consent forms

Vaccination UK will be in school to administer the flu vaccine to Reception and upwards. Please can you ensure to return the consent form to the office even if you don't give your consent. They will be in school on 4th & 29th November.

Please note that you can request a separate consent form if you don't want your child to receive the nasal spray because of the porcine content. Please ask the school office.

School photos

A reminder that the school photographer will be in school on Monday 4th November.

Barnaby Bear

As Barnaby Bear is unable to go on holiday this year, he would like to share different religious or cultural festivals with our families.

If you have a festival or celebration coming up that you would like Barnaby Bear to attend then speak to the school office!

Open mornings

A reminder that open mornings are next week.

Reception: Wednesday 6th October at 9am

Year 1: Thursday 7th October at 9am

Year 2: Tuesday 5th October at 9am

Only one parent can attend the meeting and we ask that you wear a mask in school. The meeting will take place in the hall.

Stars of the Week

Badger—Saadiq

Fox—Halle

Rabbit—Ashyla

Squirrel—Joao Gil

Mole—Noel

Hedgehog—Judah

Well done to our Stars of the Week
1st October 2021

Co-operation Crocodile

This week the awards go to:
