

Next week...
Lunch is week 3

11 June 021

Mr Pritchard's update

Summer Uniform

Fresh air is known to reduce the risk of transmission, it is for this reason alongside the benefits of outdoor learning that children will be spending more time outside this term. Please make sure that you send your child to school with a **sun hat** and **water bottle** (sun hats can be purchased from our uniform suppliers and water bottles from the school office however please remember that any water bottle or hat will do!). A reminder to also apply sun cream before school. This can not be applied in school.

It is the time of the year when girls can wear summer dresses (these must be blue checked) and boys and girls can wear shorts (these must be plain grey). A gentle reminder that girls can wear socks or plain grey tights, they should not wear leggings.

Covid Restrictions

We are currently waiting any further guidance as to how restrictions may be eased in schools this term. If we are able to make any changes this term we will communicate these with you. We will also update you on plans for sports day and the Year 2 play in the coming weeks.

Nursery places

We still have nursery places available, please send your application form to our school office.

Eat them to defeat them

This was the first week of the new campaign to promote fruit & vegetables, it was tomato week and it was a resounding success!

The children were able to try tomato juice, tomato soup with bread and a rainbow tomato and mozzarella tart. They were very tasty!

Next week it is sweetcorn week and the children will be able to try things such as mini corn on the cob, sweetcorn buns & Mexican corn salad.

There are also lots of extra downloads and more information on their website: <https://eatthetodefeatthem.com/>

Health Questionnaire for Reception

All Reception parents have been emailed a health questionnaire from Hertfordshire Community NHS Trust.
