

16 November 2020

This week...

Lunch is week 2

Flu Vaccine

On Tuesday 1 December we will hold the last and final Flu Vaccine morning.

We have sent the following letters/reminders:

- Milk order
- Reception & Junior school applications
- Headteacher's Newsletter
- Friends of Parkgate information

In school last week...

Every week we will pick a different class to share what they have been doing in school. This week is **Hedgehog Class**:

This week our focus book has been 'Night Monkey, Day Monkey' by Julia Donaldson. We have been learning different facts about nocturnal animals and have been exploring the features of story books (fiction) and information books (non-fiction). We have also been following step by step drawing guides to draw and paint animals.

Remote learning

On Friday we sent home exercise books which are to be used for Remote Learning, in case we have to close a class bubble. Please do not use these for homework. Thank you.

Fundraising hero

We are very proud of our Year 2 student Finley Dye, who is running a mile every day till the end of lockdown to raise money for Watford Foodbank. Go Finley!

Christmas

We are starting to work on our Christmas plays, which will be recorded in a Covid secure way. We will advise you later in the term how you can view them.
