### This week in Fox class

Wheels and axles

In D&T this half term we're learning all about wheels and axles. Eventually we are going to make our own buses! First we have to explore how wheel and axles work and have a go at making them stronger. We also learnt about information technology in the real world and how it can help people. We looked at how supermarkets use barcodes to easily read information and had a go at doing it ourselves!

### Parking

Please park considerately in Northfield Gardens as we have received complaints from residents about drives being blocked.

### Volunteers

A big thank you to the parents who cleared our raised bed of all the weeds and planted some lovely plants. They have done a great job!

We are looking for someone to clean out our fishtank on a regular basis. If you are able to help, please contact the school office.

### October Half Term holiday clubs

If you are looking for a Half Term holiday club, here is a list of providers:

[Super Star Sports](#)

### Open Mornings

We were pleased to see such a great turnout for our open mornings. Details will go on our website for parents/carers who couldn't make it.

### Parents Evenings

Please look out for a letter regarding Parents Evenings in due course.

### Parent Governors

We are looking for a new Parent Governor. Please look out for more information coming out soon.
